Find serenity at the new adults-only hotel
in Belle Mare.

FACTSHEET

2021-2022 • Applicable as from 1st October 2021 to 31st October 2022

POSITIONING

4* HOTEL

The new Sunrise Attitude faces one of the most beautiful beaches in Mauritius at Belle Mare, located along the preserved east coast. It's known for its miles of white sand and stunning turquoise lagoon.

This new 4* hotel is reserved exclusively for adults and is a serene hideaway, taking design inspiration from the beautiful surroundings: the terracotta and mustard gold earth tones, the leaf green and glimpses of blue. Arrive and gaze over the ocean, which is just across the road, taking a deep breath of fresh, sea air.

In the architecture, we've used wood, stone and thatch; and decorated with a perfect blend of local materials. These include raffia and rattan, plus terrazzo and graphic effects created with ravenala and coconut leaves. We want to support the local economy and community, so the furniture and decorations in our hotel are made locally, wherever possible.

The new Sunrise Attitude has integrated the 61 rooms and hotel spaces of Émeraude Beach Attitude, creating a bigger and better retreat consisting of 145 rooms and 8 villas, each with a private plunge pool. The new hotel also features swim-up rooms, offering direct access from your terrace into the swimming pool.

Sunrise Attitude is a place to forget what the time is, revive yourself at Spa POZ and reconnect with nature. Live to the rhythm of the tide, the exceptional sunrises and the full moon.

Our dine-around experience allows you to choose between three restaurants on a half-board basis. You can share some tapas and drinks at The Social House, the restaurant-bar, which is open from 6pm and is the perfect spot to listen to a live DJ mix some chilled-out music. The main restaurant has the spirit of a marketplace and a friendly welcome; and Kot Nou is our signature restaurant, introducing you to the island's authentic and varied flavours – with a modern twist.

Sunrise Attitude offers a holiday with a Positive Impact. We have banned all single-use plastic from our guest experience; introduced a Bulk Shop so you can help yourself to tea and coffee for your room in reusable glass jars; and our supplies are local wherever possible, ensuring you get the freshest and most sustainable produce on your plate.

During your stay, enjoy non-motorised watersports in the clear lagoon and don't miss discovering the local culture through our Otentik Experiences. These include the chance to have dinner with a local family in their home, or discovering villages that are off-the-beaten track via our free mobile app. You can also learn about our culture by chatting to our friendly Family Members – they are all local Mauritians and ready to tell you about our beautiful island! Personal service and our warm welcome will mean you can have a carefree holiday, whether you are travelling solo, as a couple or with friends.

Positive impact

Now is the time for action. For positivity. To create a **future where travel benefits all**.

There is always room to grow, new goals to achieve, so Attitude Hotels has launched a **Positive Impact movement**. We're joining forces with our business partners and our guests to form a collective force for good.

OUR 3 COMMITMENTS

We protect
our environment

We support
the local economy

We care about the
local community

To commit ourselves is important, but to act is even better! We have removed **single-use plastic** in our guest experience, and introduced a **Bulk Shop** so guests can help themselves to tea and coffee for their room in reusable glass jars. We use **seasonal and locally-grown produce** for our dining wherever possible; and only offer **non-motorised watersports** for a peaceful and marine-friendly experience.

We also encourage guests to learn about the island's culture through our **Otentik (authentic) experiences**. This could be having dinner with a local family; meeting locals in fishing villages where time seems to have stood still; or discovering the eclectic street food scene in the capital of Port Louis.

When our guests relax in their Attitude hotel, they can unwind in beautiful spaces with furniture and decorations made right here on the island, **helping support our local economy**.
